COMMENTS

The responses to the questions are supposed to be 1 min max, and Melissa only responded for 10-15 seconds.

Great question that she asked (seemed difficult to answer.)

Hand gestures basic, Hugo had better gestures.

Melissa spoke significantly louder and hardly looked at her notes.

Hugo looked back to his notes a couple times, yet he hardly stuttered.

Hugo responded in 20 seconds.

Could be louder, yet he was the right amount.

Spoke extremely long (exactly 5 minutes)!

Went back to his previous argument to support himself, which is good!

He had a really good point!

COMMENTS

Speaker 1: Very loud! (in a good way) hand movements were good but the same. gave a short response to question Wasn't very good on time.

Speaker 2: A lot of pauses, not sure he had enough. reading off card entire time (ok not entire time) had facts, other did not. Could tell he was trying to fill time.
