COMMENTS

- Jaden not enough confidence, lots of stuttering, witness wasn't engaged in his opening, Sofia and Jadens ex needs a lot of work he couldn't even get through the beginning. When Camila got ex she needs to speak up and be firm.

Elisa did a good job pushing through never said uh when Camila ex her.

Camila good pronunciation, plays with hair tie in up, lots of stuttering because she tried to memorize over time. Good ex just higher your volume.

Elisa had good volume but it doesn't match with Camila which throws it off.

Jaden and Sofia are always zoned out.

Jaden bombed his ex with Elisa so much stuttering, and says well too much.

COMMENTS

Jaden - "um" swaying; work on presentation; memory; seems confused; asking witness to answer question who giving her the ability to get her point

Sofia - work on procedures, memory, lots of stuttering; work on becoming more convincing; seems confused, being taken over by opposing attorney

Need to memorize presentation

in general

nervous

Camila - good eye contact, likeable presentation, but voice soft; convincing presentation; taking over opposing witness

Advice: strengthen voice projection slightly

Elisa - very good voice projection therefore convincing; confident. Solidify point when being CXed - emphasize that everyone has the ability to be a high achieving student

Wonderful
