COMMENTS

Paulina maintained eye contact with the judges and was clear/loud.
She had paused in between points towards the end, yet she attempted to come up with extra sentences at the end to conclude her argument.
very good with time

Posture and hand gestures were on point!
Responses were short! → response was 4-5 seconds max

Good structure

Karla spoke very calm, and didn't pronunciate properly. Yet still able to hear.
She was usually short on time but not by that much, so the full points were given

COMMENTS

Paulina Hinojosa

You had a strong argument and you have the presentation skills needed to win a round, your content was really good as well, make sure when you are listening that you are sit straight and writing notes.

Karla Sobrevilla

Your response to the question was good, you stated that speaker 1 was not listening to your argument, you kept stuttering but you can work on that, overall you did good.
