COMMENTS

Tunde: If you ←use points you proved in CX in closing heard her make a mistake in her CX then get her to explain her point more so the judge hears it. Isn't your re-cx supposed to be based off of me re-DX?

Ana: Try to become more familiar with what you are reading. You will sound much more confident if it doesn't sound like you're reading. Don't say yes right away. Look at time signals.

Christian: It seemed like you improvised at the end and of your opening, and restated something said previously. In the re-ex you asked them same question multiple times.

Jacobo: Don't lose passion throughout your DX. Organize your DX more with Christian. In your CX, explain the merit part of academics more
